Janimes
www.janimes.com

You are
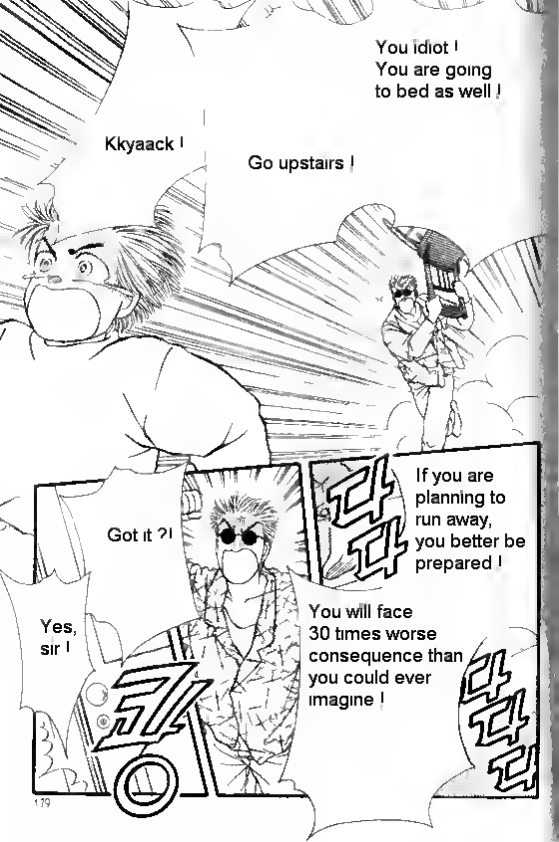
I've known that ever s nce I saw you from the restaurant
You can't call your family
Huhuhu

You have nowhere to go !
and
a runaway !

If you d d have a place to go, you should have contacted last n ght
To me you looked more l ke I am saved from freez ng to death
I have nowhere else to go ?
That s none sense
We need food (Real reason)
As a cit zen I couldn't just pass by
You had nowhere else to go and you were eager to take a plane at m dn ght
n case you want to go back
But it s better to stay nearby
I don't know why you ran away

If I stay near them,
I will begin to miss them
And it will hurt me
So, why don't you just stay here and cook for us for a while.
I will pay you even.
Thanks for your hospitality
But even if I do want to go back, it's not a place I can go back anymore

www.jaimes.com



You idiot !
You are going to bed as well !
Kkyaack !
Go upstairs !
If you are planning to run away, you better be prepared !
Got it ?!
Yes, sir !
You will face 30 times worse consequence than you could ever imagine !

I sa d that with my own tongue

I am really mak ng a d stance now

Even f I want to go back..it s not a place I can go back anymore ?

I can't just go back to a stranger's house
But it's not my home anymore
I do want to go back

Sum re
They wouldn't tell me ther address
There are few male manga art sts n Sapporo
Then why don't you
They d d
They are not p cking up calls yet?
Zzzz

Besides, it appears most of the so-called manga artists sleep during daytime
They tried to contact last of manga artists None of their calls got through
It's only logical if you think about it
Just like how agencies for celebrities wouldn't risk their clients personal info
I should have never given birth to a daughter like you
Mother yelled
I heard that night
Yes, yes, she must have pushed her out of here
By the way, why did the fatty run away in the first place ?!
You surprised me

www.janimes.com

I never treated her like a daughter anyway
And to you also
Hmmph
I badmouthed her father
And badmouthed her along with him
Be quiet
She's a part of our blood

Does mother owe you or someth ng?
But just let you know I There s no guarantee that she w ll be found any t me soon
Huyou
Fine
I will call my manager and get h m to f nd her under my name
Maybe
It s a secret for now
Ah

Hey
The girl is nowhere to be seen
Did she run away?
No, she is outside
Ah
Hmm
Hey
Ah you are awake
The view is awesome here
If someone like you who has no where to go stares at nightview like this
Yeah
You will miss people
Hey... hey

Light from houses,
they are tiny and cute.
Each of them
has its own precious moments

I used to
belong to one of the lghts
That s what I ve been tell ng you!
Could I stay here for a wh le ?
Hey you
I won't stay long
In the lght
I was with everyone
